

Feature

- Suitable for replacement Incandescent or CFL lamp
- Long life up to **25,000h**
- Up to 90% energy saving
- Available in Warm white, Cool white and Daylight 2700K/4000K/6500K
- Good color rendering CRI 80
- Light weight housing with excellent heat dissipation
- No UV or Infrared radiation and Mercury-Free
- Built-in LED current control driver
- Constant light output, Plug & Play
- Minimum maintenance cost and investment
- Short pay-back period
- Very good light distribution
- Body made from Polycarbonate

Applications

- Suitable for indoor applications in open/ventilated luminaires
- Ideal for general lighting in hotels, restaurants, shops, offices and homes and etc.
